

Cosmetology

Program Description

Cosmetology program students will train to become State Board certified in Cosmetology or Nail Technology in this hands-on program. This is a two year (1500 hour) program which requires summer and Saturday hours. Students will learn such things as: cutting, coloring, permanents, skin care, nail care, styling, retailing, salon management, and customer service. Instruction includes development of applied mathematics, chemistry, anatomy and record keeping. Training is achieved in a real working environment with emphasis on hygiene, sanitation and customer relations. Students learn how to help people look and feel their best while growing their communication skills. Students will also learn to adapt and apply their craft to a diverse public and hone skills that are necessary to enter the workforce in the beauty industry. Cosmetology graduates may move on to employment as hairstylists, salon managers, sales representatives and image consultants
